

Beacher's Lodge Oceanfront Suites Hotel Pet Policy

We are very happy to welcome you and your pet to Beacher's Lodge. We work hard at Beacher's Lodge to keep all our guests happy. With your cooperation during this pet stay, we will be able to continue to welcome all of your family members, especially the extra furry ones!

Beacher's Lodge has developed the following guideline for our pet friendly stays:

When making a reservation...

- 🕒 Pet must be under 35 lbs (Please call for exceptions)
- 🕒 Reservation must be made for a "pet friendly" unit, this should be requested at the time the reservation is made and pet must be declared at check-in.
- 🕒 There is a \$50 pet non-refundable clean up fee, per pet, per stay.

While on the property...

- 🐾 Pets are not allowed in the lobby/front desk office.
- 🐾 Pets must be leashed and kept under total control while the pet is in any public or common place within the hotel (walkways, stairwells, elevators).
- 🐾 Pets are not allowed in the pool area; however the pool has been fenced in so that you may use the boardwalk to take your pets to the beach.
- 🐾 There is a designated area to walk your pet behind the rental office. Take the walkway between the office and conference room and you will find a grassy area with a pet clean up station. There is a trash can and doggy bag station to aid you in picking up after your pet.
- 🐾 No matter where your pet decides to use the bathroom, you are responsible for cleaning up after your pet, so be prepared. Because we are also a condo association, there will be fines levied for infractions of the pet rules.
- 🐾 Pet owners agree to indemnify, hold harmless, and defend Beacher's Lodge, its owners, agents and employees from any and all liability, claims, losses, costs, and expenses, (including reasonable attorney's fees) arising out of or relating to any claim for personal injury or property damage caused by their pet.

While in the room...

- 🐾 Pets are not allowed to sit directly on the furniture or bedding. Please request an extra set of sheets from housekeeping to cover any furnishing your pet might be tempted to jump onto.
- 🐾 Do not use the hotel's linens or towels to bathe pets.
- 🐾 Although many pets travel, being left alone in a strange room can be stressful for your pet and your neighbor. Do not leave your pet alone in the room if they will bark in your absence.
- 🐾 If a pet is left unattended in the room, please leave the "Do Not Disturb" sign on the door.
- 🐾 Pet owners will be responsible for any damages, injury or lost revenue that may be caused by your pet.
- 🐾 Guests may be asked to vacate the property if their pet becomes a nuisance to other guests (ie. excessive barking).
- 🐾 Housekeeping services are performed daily (or weekly with monthly stays), but only in the absence of your pet. Pet owners should remove their pet from the room or arrange a time for housekeeping services or opt not to receive housekeeping services.
- 🐾 If your unit is located on the 1st level, do not let your pet loose in the grassy area outside your patio. Your pet must be on a leash if outside of your room. The grassy area off the 1st level patio is not a pet walk area. Please walk your pet behind the front office/conference room in the pet walkway area.

With your cooperation during this stay, we will continue to be a pet friendly property.
Please enjoy your stay here at Beacher's Lodge... where the beach life begins.
